

SWIM IN MOVIES

You've heard of drive-in movies, well come see what happens when you combine warm summer nights, the Kittery Pool and movies projected on a large outdoor screen; instant swim-in-movie. Participants will be able to swim, rest on floats or relax on the grass and watch the movie. Don't worry, you'll be able to hear it. Movie titles will be announced in June; contact the Rec. or Pool to find out what is playing. Times are subject to light as it needs to be mostly dark to see the screen. **Cost:** \$3 per person/\$10 family maximum
